

Termination of Services Policy

**Notice of Termination of Services will be given to participants/
Participant representative orally and in writing upon evidence of
the following conditions:**

- 1. Emotional, abusive, or dangerous behavior that present an
immediate threat to the health and safety of the client,
other clients, or program staff.**

and/or

- 2. Chronic or acute medical problems or conditions, or
behaviors that place the client at immediate risk, and that
require health care and/or supervision which exceed the
capabilities of the department.**

Adopted July 2004.
